

EXPLORE ALBUQUERQUE'S MUSEUMS

OUR STATE'S CULTURE, SCIENCE AND HISTORY

Visiting Albuquerque museums and the city's cultural and historic centers is a journey through New Mexico's rich history, art and heritage.

National Hispanic Cultural Center

Explore this world-class center for Hispanic arts and culture featuring captivating exhibitions, thought-provoking literary works, live performances and one of the largest fresco murals in North America.

Indian Pueblo Cultural Center

Take an in-depth guided tour exploring the rich heritage of the 19 Pueblos of New Mexico and indulge in authentic Native American cuisine at **Indian Pueblo Kitchen**.

Turquoise Museum

This museum takes visitors on a journey through the fascinating world of turquoise. From its ornamental use to its ceremonial significance, the museum showcases an array of exhibits featuring exquisite examples of New Mexico's state gem.

Anderson Abruzzo Albuquerque International Balloon Museum

This museum showcases one of the most impressive collections of hot air ballooning equipment and memorabilia, providing visitors with an immersive experience into the art, culture, science, history, sport and spectacle of ballooning.

New Mexico Museum of Natural History & Science

Get interactive at this high-tech museum with a planetarium, theater, lots of dinosaur fossils and hands-on experiences for all ages.

Explora

Spend the entire day at Albuquerque's premier innovative learning center. With over 250 hands-on exhibits to learn about science, technology, engineering, art and math, this children's museum has something for everyone.

American International Rattlesnake Museum

Enter the world of reptiles at this animal conservation museum. Enjoy an experience for all ages full of artifacts, memorabilia and the world's largest collection of rattlesnake species.

Albuquerque Museum

Marvel at the art and culture of the Southwest, and uncover the rich history of Albuquerque. This museum's gallery exhibitions include permanent art and history collections, world-class traveling exhibits and community curated exhibits.

Holocaust & Intolerance Museum of New Mexico

Discover the tragic history of genocides and intolerance by exploring this vast collection of artifacts, pictures, videos and books.

National Museum of Nuclear Science & History

Learn about the history of the atomic age, applications of nuclear science and the future of nuclear energy.

Wheels Museum

Discover exhibits designed to educate visitors about the history and impact of transportation in the West.

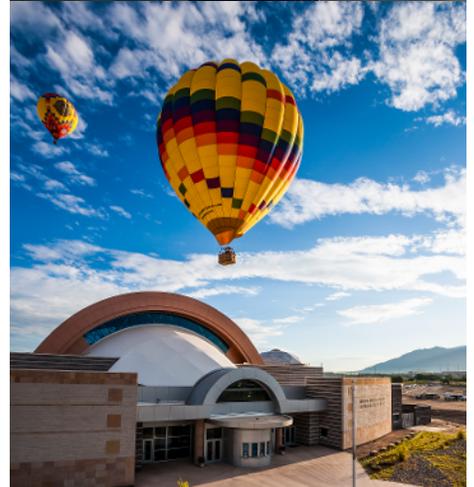

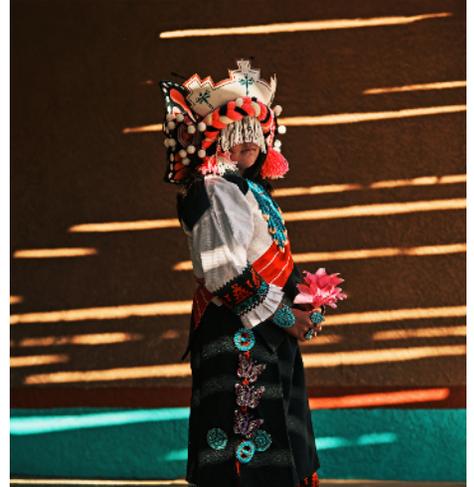

Tinkertown Museum

Open from April to November, this folk art museum invites visitors to delve into the captivating world of miniature wood-carved figures and serves as a testament to the life's work of the late Ross Ward.
